Newspapers and news websites are made up of different sections. Today you are going to create some puzzles.

Spring

Complete the crossword puzzle below

This is a 'Spring' crossword with the 'answers' already. Your job as setter of the crossword is to write clues for the missing words in the blank crossword.

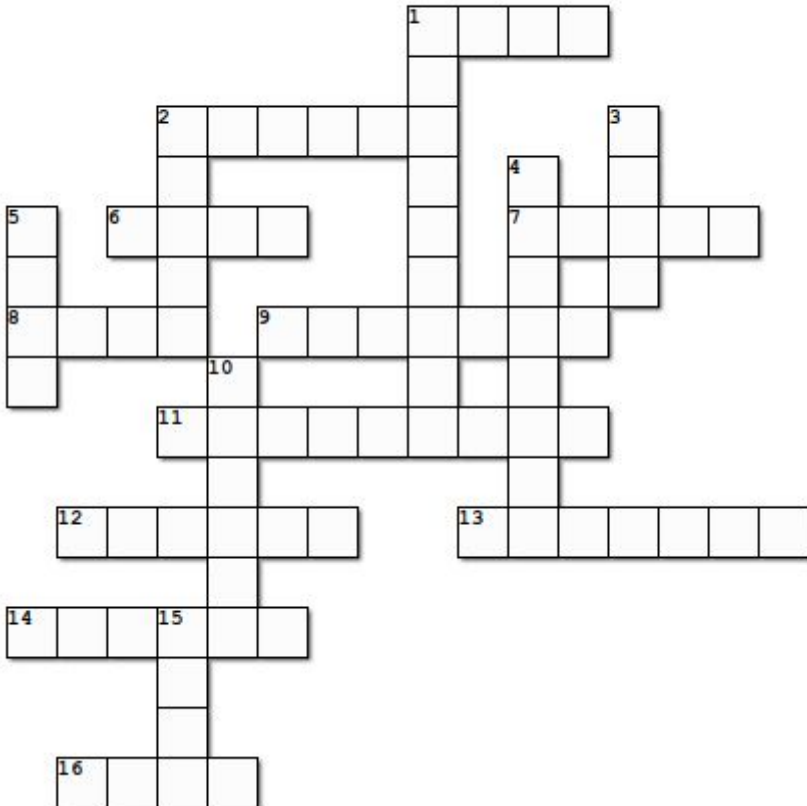

You could use anagrams (that means the letters are mixed up) so for word 1 (answer seed) your clue could be: "anagram of **edes**"

You can write definitions (meanings) of the words to help people guess them. So for word 4 (answer is umbrella) your clue could be: "something to stop rain falling on your head when you're walking outside"

Now write your set of clues for these words 1) seed 2) garden 3) park 4) umbrella 5) warm 6) nest 7) March 8) rain 9) flowers 10) puddle 11) butterfly 12) window 13) rainbow 14) farmer 15) melt 16) kite
